

BRIG
RIGID INTELLIGENT BOATS

EAGLE 10

BRIG Eagle 10 – the ideal luxury Sports Boat

At 10.2 meters, this ultimate cruiser boasts a deep-V-hull that ensures a dry, smooth ride. It's more stable, lightweight and low-maintenance than its hard-sided counterparts, it's virtually unsinkable due to the Hypalon tubes and their buoyancy and durability. In addition, this novel design has an integrated swim board with the walk around transom, it features comfortable seats, a convertible table, sun deck, a sink unit that accommodates a fridge/stove, a convenient stern swim platform with folding ladder and outdoor shower kit, plus a well-appointed cabin complete with double bed and head. For family fun, as an island hopper, luxury boat tow behind, tender, chase boat, aquatic sports platform, coastal cruising and more, the Eagle 10 delivers.
