BRIG Eagle 6.7 – The Best Family Leisure Vessel Just Got Better

Please welcome the brand new installment of the Legendary line – Eagle 6.7. This new model inherited all the best features of the predecessor and evolved into the best family RIB of this size in the World. Sometimes, small changes make a big difference – that's the case for Eagle 6.7. The deep V hull is completely redesigned to improve seaworthiness, handling and stability. A brand new multi-purpose navigation mast adds a touch of elegance and highlights the renewed Eagle line DNA.
